Subject: Re: NS/NB Border Update

Hi Manuel,

New Brunswick has opened the Trans Canada as of 8 am. I advised the OCC so something should go out shortly.

I asked for the following to be tweeted by comms:

New Brunswick is continuing with the closure of the TCH at the NB-NS border due to whiteout conditions. The border is not expected to reopen until early to mid-morning.

#NSStorm

RCMP dealing with what may transpire with the protest and local EMO is aware.

Debert sign being changed momentarily.

Any questions let me know.

Thanks

Subject: NS/NB Border Update

Hi Tiffany,

Below is the latest regarding the NS/NB border closure of the Trans Canada Highway

New Brunswick is continuing with the closure of the TCH at the NB-NS border due to whiteout conditions. The border is not expected to reopen until early to mid-morning.

Local RCMP and EMO are aware. I have advised the CN OCC and asked it be put on 511 as well.

Our Comms stage tweeted the above message a few minutes ago.

Any questions give me a call...

Thanks
Adam
